B. Background Information about Health Plan of San Joaquin/Mountain Valley Health Plan Advantage D-SNP's Network Providers

B1. Key terms

This section explains key terms in our Directory.

- **Providers** are professionals such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, Long-term Services and Supports (LTSS), supplies, drugs, equipment, and other services.
- The term "**providers**" includes facilities such as hospitals, clinics, and other places that provide medical services and medical equipment.
  - It also includes LTSS providers that you may use as a Health Plan of San Joaquin/ Mountain Valley Health Plan Advantage D-SNP member.
  - Providers that are a part of our plan's network are called network providers.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider (PCP)** is a doctor or nurse practioner who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a referral if you need a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
  - Oncologists care for patients with cancer.
  - Cardiologists care for patients with heart conditions.
  - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **referral** or **prior authorization** for a specialist or someone that isn't your PCP. A **referral** means that your network PCP must give you approval before you can use the other provider. A **prior authorization** is different than a referral. It means that **Health Plan of San Joaquin/Mountain Valley Health Plan Advantage D-SNP** network PCP must give you approval **before** we'll cover a specific service, item, or drug or an out-of-network provider. If you don't get a referral or prior authorization, Health Plan of San Joaquin/Mountain Valley Health Plan Advantage D-SNP may not cover the service, item, or drug.
  - Referrals or prior authorization **aren't** needed for:
    - emergency care;
    - urgently needed care;

- kidney dialysis services that you get at a Medicare-certified dialysis facility when you're outside the plan's service area;
- services from a women's health specialist; or
- flu shots and Medicare covered vaccinations.

  - Additionally, if you're an American Indian Member, you may receive services from an Indian Health Care Provider without a referral. We must pay the Indian Health Care Provider for those services even if they're out of our plan's network.
  - More information on referrals and prior authorization is available in **Chapter 3** of the *Member Handbook*.

- You'll also be assigned a **Care Team**. Your **Care Team** includes you, your physician(s), pharmacist and Health Plan's Care Team staff. Everyone on the Care Team works together to make sure your care is coordinated. This means that they make sure that you get all of the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your Care Team may include:
  - A **Care Coordinator** that helps you manage your medical providers and services.
  - Your **Primary Care Provider**

Your Care Team will also help you find other providers of medical, behavioral health, or Long-term Services and Supports (LTSS) if you need a specialist or other health care provider. That way, you'll get the right provider to help you with your concerns.

B2. Wait times for primary care and behavioral health

We must provide you with access to primary care and behavioral health services within the following timeframes:

- immediately for urgently needed services or an emergency;
- within 7 days for services that aren't an emergency or urgently needed, but you require medical attention; or
- within 30 days for routine and preventative care.

B3. How to choose a Primary Care Provider (PCP)

First, you will need to choose a Primary Care Provider (PCP). You can choose any PCP in our network who is accepting new members.

- If there's a particular specialist or hospital that you want to use, it's important to find out if they're affiliated with your health plan's network. You can look in this Directory or ask Health Plan of San Joaquin/Mountain Valley Health Plan Advantage D-SNP Customer Service to check if the PCP you want makes referrals to that specialist or uses that hospital.
- If you don't stay within your PCP's network, Health Plan of San Joaquin/Mountain Valley Health Plan Advantage D-SNP may not cover the service.
- To choose a PCP, refer to the list of providers in **Section C** and choose a provider:
  - that you use now, **or**
  - who has been recommended by someone you trust, **or**
  - whose offices are easy for you to get to.
- If you don't choose a PCP in our network, Health Plan of San Joaquin/Mountain Valley Health Plan Advantage D-SNP will choose one for you.
- If you want help in choosing a PCP, please call Customer Service at 1-888-361-7526 (TTY: 711), 8:00 a.m. to 8:00 p.m., seven days a week from October 1 through March 31, and Monday to Friday from April 1 through September 30. The call is free. Or, visit www.hpsj-mvhp.org.
- If you have questions about whether any service or care that you want or need is covered, talk to your Care Team or call Customer Service at the numbers listed at the bottom of this page and ask **before** you get the service or care.

B4. Long-term Services and Supports (LTSS) providers

As a Health Plan of San Joaquin/Mountain Valley Health Plan Advantage D-SNP member, you'll be able to get Long-term Services and Supports (LTSS) if you need them, such as Community-Based Adult Services (CBAS), also known as adult day health care, Nursing Facilities (NF), and Community Supports. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

If you need LTSS, your Care Coordinator can help you and your Care Team determine what options are available to support you in the way you want.

B5. How to access Health Plan of San Joaquin/Mountain Valley Health Plan Advantage D-SNP's network providers

You may need a referral for someone who isn't a Primary Care Provider (PCP). There's more information about referrals in **Section B1**.

You must get all of your covered services from providers within our network. If you use providers who aren't in Health Plan of San Joaquin/Mountain Valley Health Plan Advantage D-SNP's network **(without prior authorization), you'll have to pay the bill**.

A **prior authorization** is an approval from Health Plan of San Joaquin/Mountain Valley Health Plan Advantage D-SNP to seek services outside of our network or to get services not routinely covered by our network **before** you get the services.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and can't get to a provider in the plan, such as when you're away from home. Health Plan of San Joaquin/Mountain Valley Health Plan Advantage only covers emergency care within the United States and its territories. You can also go outside the plan for other non-emergency services if Health Plan of San Joaquin/Mountain Valley Health Plan Advantage D-SNP gives you permission first.

- You may change providers within the network at any time during the year. If you've been using one network provider, you don't have to keep using that same provider. For some providers, you may need a referral from your PCP.
- Health Plan of San Joaquin/Mountain Valley Health Plan Advantage D-SNP works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and aren't sure if they offer the accommodations you need, Health Plan of San Joaquin/Mountain Valley Health Plan Advantage D-SNP can help you. Talk to your care coordinator for assistance.

B. Antecedentes de los proveedores de la red de Health Plan of San Joaquin/ Mountain Valley Health Plan Advantage D-SNP

B1. Términos clave

En esta sección, se explican los términos clave de nuestro directorio.

- Los **proveedores** son profesionales como médicos, enfermeros, farmacéuticos, terapeutas y otras personas que brindan cuidado y servicios. Los **servicios** incluyen cuidado médico, servicios y apoyos a largo plazo (LTSS), suministros, medicamentos, equipos y otros servicios.
- El término "**proveedores**" incluye instalaciones como hospitales, clínicas y otros lugares que brindan servicios y equipos médicos.
  - También incluye proveedores de LTSS que puede usar como miembro de Health Plan of San Joaquin/Mountain Valley Health Plan Advantage D-SNP.
  - Los proveedores que forman parte de la red de nuestro plan se denominan proveedores de la red.
- Los **proveedores de la red** tienen un contrato con nosotros para prestar servicios a los miembros de nuestro plan. Los proveedores de la red participan en nuestro plan. Eso significa que aceptan a los miembros de nuestro plan y proporcionan los servicios que cubre nuestro plan. Cuando usted usa un proveedor de la red, habitualmente no debe pagar por los servicios cubiertos.
- Un **proveedor primario** (Primary Care Provider, PCP) es un médico o profesional de enfermería que le brinda cuidado médico de rutina. Su PCP guardará sus registros médicos y, con el tiempo, llegará a conocer sus necesidades de cuidado médico. Su PCP también lo referirá si necesita un especialista u otro proveedor.
- Los **especialistas** son médicos que prestan servicios de cuidado médico ante una enfermedad en particular o de una parte específica del cuerpo. Hay muchos tipos de especialistas. Los siguientes son algunos ejemplos:
  - Los oncólogos atienden a pacientes con cáncer.
  - Los cardiólogos atienden a pacientes con enfermedades cardíacas.
  - Los traumatólogos atienden a pacientes con determinadas afecciones óseas, articulares o musculares.

- Es posible que necesite que **ser referido** u obtener una **autorización previa** para realizar una consulta con un especialista o alguien que no sea su PCP. **Ser referido** significa que su PCP de la red debe darle su aprobación antes de que pueda usar el otro proveedor. Obtener una **autorización previa** es diferente a ser referido. Significa que el PCP de la red de **Health Plan of San Joaquin/Mountain Valley Health Plan Advantage D-SNP** debe darle su aprobación **antes** de que cubramos un servicio, un artículo o medicamento específico o un proveedor fuera de la red. Si no es referido o recibe una autorización previa, es posible que Health Plan of San Joaquin/ Mountain Valley Health Plan Advantage D-SNP no cubra el servicio, el producto o el medicamento.
    - **No** se necesita ser referido ni obtener una autorización previa para lo siguiente:
        - cuidado de emergencia;
        - cuidado médico de urgencia;
        - servicios de diálisis renal que recibe en un centro de diálisis certificado por Medicare cuando se encuentre fuera del área de servicio del plan;
        - servicios de un especialista en salud de la mujer; o
        - vacunas contra la gripe y cubiertas por Medicare.
    - Además, si es un miembro indígena americano, puede recibir servicios de un proveedor de cuidado médico indígena sin ser referido. Debemos pagarle al proveedor de cuidado médico indígena por dichos servicios, incluso si está fuera de la red de nuestro plan.
    - Para obtener más información sobre el proceso de autorización previa y cómo ser referido, consulte el **Capítulo 3** del *Manual para Miembros*.
- También se le asignará un **equipo de cuidado**. Su **equipo de cuidado** se compone de usted, sus médicos, el farmacéutico y el personal del equipo de cuidado del plan de salud. Todos los integrantes de su equipo de cuidado trabajan en conjunto para asegurarse de que se coordine su cuidado. Esto implica que se aseguran de que reciba todas las pruebas, análisis de laboratorio y otros cuidados que necesite, y que los resultados se compartan con los proveedores adecuados. También implica que su PCP debe estar al tanto de todos los medicamentos que toma para que pueda reducir cualquier efecto negativo. El PCP siempre obtendrá su permiso antes de compartir su información médica con otros proveedores. Su equipo de cuidado puede incluir los siguientes miembros:
    - Un **coordinador de cuidado** que le ayuda a administrar sus proveedores y servicios médicos.
    - Su **proveedor primario**.

Su equipo de cuidado también lo ayudará a encontrar otros proveedores de servicios médicos, de salud del comportamiento o de servicios y apoyos a largo plazo (LTSS) si necesita un especialista u otro proveedor de cuidado médico. De esa manera, obtendrá el proveedor adecuado para que lo ayude con sus inquietudes.

B2. Tiempos de espera para cuidado primario y salud del comportamiento

Debemos proporcionarle acceso al cuidado primario y a los servicios de salud del comportamiento en los siguientes plazos:

- inmediatamente para servicios de urgencia o una emergencia;
- en un plazo de 7 días para servicios que no sean de emergencia o de urgencia, pero que requieran cuidado médico; o

> Una **autorización previa** es una aprobación de Health Plan of San Joaquin/Mountain Valley Health Plan Advantage D-SNP para buscar servicios fuera de nuestra red o para obtener servicios que nuestra red no cubre de forma rutinaria **antes** de que reciba los servicios.

Las únicas excepciones a esta regla son los casos en que necesita cuidado de urgencia o de emergencia o diálisis y no puede conseguir un proveedor del plan, como por ejemplo cuando está lejos de casa.
