

New Physicians Join Dignity Health Medical Group

Dignity Health Medical Group Stockton recently welcomed four new physicians to the group. Longtime Stockton physicians Surinder Raron, MD, Pediatrics, and Paul Waters, MD, Family Practice are the latest primary care physicians to join the team. Two new specialists, Paul Lee, MD, Urology and Jennifer McNeil, MD, Colon & Rectal Surgery, have also joined the team.

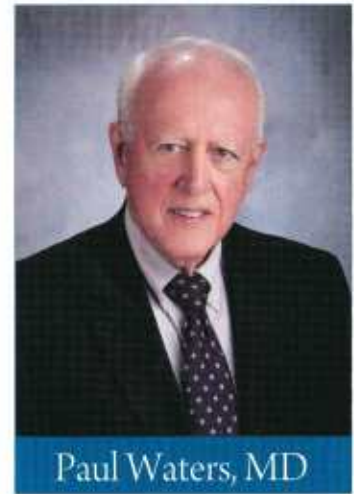

Surinder Raron, MD, is board certified in pediatrics. Dr. Raron has practiced medicine in Stockton since 1992. He currently serves as the Chief of Pediatrics at St. Joseph's Medical Center and was named The Record's Best of San Joaquin last year. Dr. Raron is passionate about medicine and is committed to helping children and teens

Surinder Raron, MD

achieve optimal health. He prides himself on being ever-learning and on his dedication to serving patients with the utmost respect.

Paul Waters, MD, received his medical degree from Creighton University School of Medicine and has been in practice for over 50 years. As a well-known and highly respected physician, Dr. Waters is driven by a sincere interest in the well-being of people. Throughout his distinguished career, Dr. Waters has been affiliated with various medical societies and hospitals throughout the community.

Paul Waters, MD

Paul H. Lee, MD, is a board certified urologist specializing in both adult and pediatric urology services. Dr. Lee received his MD from UMDNJ-New Jersey Medical School; completed surgery internship/residency at The John's

Introducing the new HPSJ website!

As 88% of HPSJ providers already know, our website's DRE (Doctors' Referral Express) provider portal is essential to the smooth running of both the care and business sides of practices.

To give you each a much more efficient online tool kit, as we completely revamped the website – www.hpsj.com – we loaded the DRE provider portal with many more functions that will be valuable for you and your practice team. It's easier to use, works with all types of devices, and is now a one-stop location for much of the information you

need – whenever you need it. For a complete list of online provider functionality now available to you, please see page 2, Topics of Interest to Providers on the HPSJ Website.

If you have not already done so, please sign up for portal access. It's easy. Provider Services is here to help, at 209•942•6340

Log on to www.hpsj.com and click Providers icon button to: Submit authorizations or check the status
