### HPSJ MEDI-CAL MANAGED CARE (HMO)

Medi-Cal is California's Medicaid health care program serving children and adults with limited or no income. People eligible for coverage include families, seniors, people with disabilities, children in foster care, pregnant women and childless adults who meet certain income and eligibility requirements. HPSJ provides high quality, accessible and cost effective health care to Medi-Cal Members through our managed care delivery system which is structured as a health maintenance organization (HMO). Our Medi-Cal product in San Joaquin and Stanislaus counties provides a full range of medical benefits and Covered Services.

A primary advantage for Medi-Cal individuals enrolling in HPSJ is the opportunity to develop ongoing relationships with Primary Care Physicians (PCP) and other Participating Providers (Providers) in a Group or clinic that can support preventative as well as acute care. The primary benefit to Providers is the ability to better coordinate and more efficiently manage Member care by working with a local managed care plan.

### OBTAINING COVERAGE AND EXCLUSIONS INFORMATION

HPSJ covers at a minimum, those core benefits and services specified in the agreement with the California Department of Health Care Services (DHCS). Excluded services will not be reimbursed by HPSJ. To ensure that the services provided to Members are covered, please review the *Medi-Cal Combined Evidence of Coverage and Disclosure Form* for the appropriate year. This document can be found on the HPSJ website [www.hpsj.com](http://www.hpsj.com).

### SERVICES COVERED BY HPSJ

Covered Services refers to the health care services and items HPSJ provides to its Members through its health care programs.
