Street medicine programs

Members experiencing homelessness may receive covered services from Street Medicine Providers within Health Plan of San Joaquin's provider network. A Street Medicine Provider is a licensed primary care physician or primary care non-physician in the Health Plan of San Joaquin. Members experiencing homelessness may be able to select a Health Plan of San Joaquin Street Medicine Provider to be their Primary Care Provider (PCP), if the Street Medicine Provider meets PCP eligibility criteria and agrees to be the member's PCP. For more information on Health Plan of San Joaquin's street medicine program, call 888.936.7526, (TTY 711).
