If you would like information about our providers, call the Health Plan at **888.936.PLAN (7526) TTY: 711** for assistance.

The information in this directory is subject to change without notice.

Your primary care doctor will coordinate and provide most of your health care. However, there are times when you may seek help from other providers. If you are seeking any of the following services you may see your primary care doctor, or you may choose another doctor without a referral or prior authorization:

- * Pregnancy
- * Family Planning Services
- * First treatment of sexually transmitted disease
- * HIV testing and counseling services
- * Every other year for an eye exam
- * Sensitive services, including abortion

Note: With the exception of the services noted above, your primary care doctor must provide any other services, or you must receive a referral to another provider from your primary care doctor.

Please refer to your Evidence of Coverage and Disclosure Form for specific information about referrals and authorizations.

¡Gracias por unirse al Health Plan of San Joaquin/Mountain Valley Health Plan!

Estamos dedicados a trabajar con usted para satisfacer las necesidades de atención de salud de su familia. Este Directorio de Proveedores es su primer paso hacia una mejor salud. Contiene una lista de todos los médicos, clínicas y demás proveedores que aceptan miembros del Plan de Salud.

Su médico de atención primaria coordinará la mayor parte de su cuidado de salud. Si no eligió a un médico o clínica de atención primaria cuando se unió, debe hacerlo lo antes posible. Puede escoger un médico distinto para cada miembro elegible de su familia, o un médico para el cuidado de toda la familia.

Hay varias maneras de encontrar médicos en este directorio. Para encontrar un médico en su ciudad o con determinada especialidad (por ejemplo pediatría), busque la sección titulada “Médicos de Atención Primaria por Ciudad y Especialidad” (“Primary Care Doctors by City and Specialty”).

Llame a nuestro Departamento de Servicio al Cliente al **888.936.PLAN (7526) TTY: 711**, para dejarnos saber que médico/s elige.

Asegúrese que el médico que usted elige esté aceptando pacientes nuevos. Los médicos que por el momento no están aceptando pacientes nuevos están indicados en este directorio con un asterisco (*). El Plan de Salud imprime su directorio una vez al año. Los miembros reciben el directorio actualizado una vez por año.

Si lo solicita, el Plan de Salud le puede proporcionar determinada información sobre cualquier médico que figure en este directorio, tal como el título profesional del médico, su certificación de la junta y las calificaciones de subespecialidades que un especialista pudiera tener. Si desea información sobre nuestros proveedores, llame al Plan de Salud al **888.936.PLAN (7526) TTY: 711** para asistencia.

La información en este directorio está sujeta a cambios sin previo aviso.

Su médico de atención primaria coordinará y le brindará la mayor parte de su cuidado de salud. Sin embargo, hay ocasiones en que usted puede buscar servicios de otros proveedores. Si está buscando alguno de los siguientes servicios, puede ver a su médico de atención primaria o elegir otro sin necesidad de una remisión ni previa autorización:

- * Embarazo
- * Servicios de Planificación Familiar
- * Primer tratamiento de enfermedad transmitida sexualmente
- * Prueba de VIH y servicios de consejería
- * Examen de la vista cada dos años
- * Servicios Sensitivos dentro de la red del plan incluyendo aborto

Nota: Con la excepción de los servicios arriba indicados, su médico de atención primaria le tiene que proporcionar todos los demás servicios o referirlo a otro proveedor.

Consulte su Prueba de Cobertura y Formulario de Revelación para información específica sobre referencias y autorizaciones.
