Nos comprometemos a trabajar con usted para satisfacer las necesidades de cuidado de salud de su familia. El *Directorio de proveedores* es el primer paso hacia una mejor salud. Brinda una lista de todos los doctores, clínicas y otros proveedores que aceptan miembros del Plan de salud.

El doctor primario será quien coordinará la mayor parte de su cuidado médico. Si no eligió una clínica o un doctor primario cuando se unió, debe hacerlo cuanto antes. Puede elegir un doctor distinto para cada miembro de la familia que cumpla con los requisitos o un doctor para el cuidado de toda la familia.

Encuentre un doctor adecuado para usted

Hay varias formas de encontrar doctores en este directorio. Para encontrar un doctor en su ciudad o un doctor con cierta especialidad (por ejemplo, pediatría), busque en las secciones con el título “Doctores de cuidado primario por ciudad o especialidad”.

Llame a nuestro Departamento de Servicio al Cliente al **1-888-936-PLAN (7526) (TTY 711)** para decirnos qué doctores eligió.

El Plan de salud puede brindarle información sobre los doctores de este directorio si la solicita. Esto incluye información sobre el título profesional del doctor, la certificación de la junta, la raza o etnia y cualquier calificación de subespecialidad que pueda tener un especialista. Para obtener información actualizada sobre los idiomas que se hablan en la ubicación del proveedor, llame al número que figura en la lista. Si quiere información sobre nuestros proveedores, llame al Plan de salud al **1-888-936-PLAN (7526) (TTY 711)**

La información de este directorio está sujeta a cambios sin aviso.

Su doctor primario será quien coordine y brinde la mayor parte de su cuidado médico. Sin embargo, hay momentos en los que puede pedir ayuda a otros proveedores. Si busca uno de los siguientes servicios, puede visitar a su doctor de cuidado primario o elegir otro doctor sin remisión o aprobación previa:

- * Embarazo
- * Servicios de planificación familiar
- * Primer tratamiento de enfermedad de transmisión sexual
- * Servicios de asesoramiento y pruebas de detección del VIH
- * Examen de la vista cada dos años
- * Servicios de carácter confidencial, entre los que se incluye el aborto

Nota: Con la excepción de estos servicios, su doctor primario debe brindar otros servicios, o usted debe recibir una remisión a otro proveedor por parte este.
