Community Support Services (CSS) Referral Form

	Day Habilitation Programs (DHP)¹	<p><i>Services to help eligible members in acquiring, retaining, and improving self-help, socialization, and adaptive skills necessary to reside successfully in their natural environment.</i></p> <p>MUST MEET ONE OF THE FOLLOWING:</p> <p>Member is experiencing homelessness Member exited homelessness and entered housing in the last 24 months Member is at risk for homelessness or institutionalization whose housing stability could be improved through participation in a Day Habilitation Program (DHP)</p>
	Assisted Living Facility (ALF) Transitions¹	<p><i>Services to help eligible members to live in the community and/or avoid institutionalization when possible.</i></p> <p>Members living in a nursing facility: Have resided 60+ days in a nursing facility and are willing to live in an assisted living setting as an alternative to a nursing facility and are able to reside safely in an ALF</p> <p>AND</p> <p>Meet the minimum criteria to receive nursing facility LOC services, and in lieu of going into a facility, choose to remain the community and continue to receive medically necessary nursing facility at an ALF⁶</p>
	Community or Home Transition Services¹	<p><i>Services to help eligible members live in the community and avoid further institutionalization.</i></p> <p>MUST MEET ALL OF THE FOLLOWING:</p> <p>Currently receiving medically necessary nursing facility Level of Care (LOC) services and in lieu of remaining in the nursing facility or Recuperative care setting are choosing to transition home and continue to receive medically necessary nursing facility LOC services</p> <p>AND</p> <p>Have lived 60+ days in a nursing home and/or Recuperative Care setting</p> <p>AND</p> <p>Are interested in moving back to the community</p> <p>AND</p> <p>Are able to reside safely in the community with appropriate and cost-effective supports and services.</p> <p><i>*A member can be eligible for the California Community Transitions (CCT) program, Home & Community Based Alternatives (HCBA) Waiver, and/or the Multipurpose Senior Services Program (MSSP) and this Community Support; however, they cannot receive both at the same time.</i></p>
Sobering Centers (SC)¹	No prior authorization required. Contact the provider by phone.	<p><i>Services to provide intoxicated eligible members who are found to be publicly intoxicated (due to alcohol and/or other drugs) and would otherwise be transported to the emergency department or jail, with an alternative destination with a safe, supportive environment to become sober.</i></p>

Community Support Services (CSS) Referral Form

- ¹ Community Supports shall supplement and not supplant services received by the Medi-Cal beneficiary through other State, local, or federally-funded programs, in accordance with the CalAIM STCs and federal and DHCS guidance.
- ² **Qualifying Clinical Risk Factors:** **1)** Meets access criteria for SMHS (specialty mental health services); **2)** Meets other Access criteria for DMC (Drug Medi-Cal) or DMC-ODS (Drug Medi-Cal organized delivery system); **3)** One of more serious chronic physical health conditions; **4)** One or more physical, intellectual, or developmental disabilities; or **5)** Individuals who are pregnant up through 12-months.
- ³ **Qualifying Conditions:** cancer(s), cardiovascular disorders, chronic kidney disease, chronic lung disorders or other pulmonary conditions such as asthma/COPD, health failure, diabetes or other metabolic conditions, elevated lead levels, end-stage renal disease, high cholesterol, Human immunodeficiency virus, hypertension, liver disease, dyslipidemia, fatty liver, malnutrition, obesity, stroke, gastrointestinal disorders, gestational diabetes, high risk perinatal conditions, and chronic or disabling mental/behavioral health disorders.
- ⁴ **HUD definition modifications:** If exiting an institution, individuals are considered homeless if they were homeless immediately prior to entering that institutional stay or become homeless during that stay, regardless of length of institutionalization; and the timeframe for an individual or family who will imminently lose housing is extended from 14 days for individuals considered homeless and 21 days for individuals considered at risk of homelessness under the current HUD definition to 30 days; and for the risk of homelessness definition at 24 CFR section 91.5, the requirement to have an annual income below 30 percent of median family income for the area, as determined by HUD, will not apply.
- ⁵ Institutions include recuperative care facilities (including facilities covered under Community Support Recuperative Care of other facilities outside of Medi-Cal), inpatient hospitals (either acute or psychiatric or Chemical Dependency and Recovery Hospital), residential substance use disorder or mental health treatment facility, correctional facility, nursing facility.
- ⁶ Members residing in the community includes members living in a private residence or public subsidized housing and members already in an ALF or who are at risk of nationalization.
- ⁷ Transitioning Population Requirement:
- Transitioning out of an institutional or congregate residential setting:** Individuals transitioning out of an institutional or congregate residential setting, including but not limited to an inpatient hospital stay, an inpatient or residential substance abuse use disorder treatment facility, an inpatient or residential mental health facility, or nursing facility.
 - Transitioning out to carceral setting:** individuals transition out of state prison, county jail, youth correctional facility or other state, local or federal penal setting where they have been in custody and held involuntarily through operation of law enforcement.
 - Transitioning out of interim housing:** Individuals transitioning out of transitional housing, rapid rehousing, a domestic violence shelter or domestic violence housing, a homeless shelter, or other interim housing, whether funded or administered by HUD, or the State or local level
 - Transitioning out of recuperative care or short-term post-hospitalization housing:** Individuals transitioning out of short-term post-hospitalization housing or recuperative care, whether they stay was covered by Medi-Cal managed care, or another source.
 - Transitioning out of foster care:** Individuals having aged out of foster care up to age 26 (having been in foster care on or after their 18th birthday) either in California or another state.
 - Experiencing unsheltered homelessness:** Individuals or families with a primary night-time residence that is a public or private place not designed for or ordinarily used as regular sleeping accommodation for human beings, such as a care, park, abandoned building, bus or train station, airport, or camping ground.
 - Eligible for Full-Service Partnership (FSP):** FSP is a comprehensive behavioral health program for individuals living with significant mental health and/or co-occurring substance abuse conditions that have demonstrated the need for intensive wraparound services.

The Medi-Cal Community Supports Policy Guide is available for additional information on the Department of Health Care Services (DHCS) website.
