- The term “**providers**” includes facilities such as hospitals, clinics, and other places that provide medical services and medical equipment.
 - o It also includes LTSS providers that you may use as a Health Plan of San Joaquin/Mountain Valley Health Plan Advantage D-SNP member.
 - o Providers that are a part of our plan's network are called network providers.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider (PCP)** is a doctor or nurse practitioner who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a referral if you need a specialist or other provider.

 - o Oncologists care for patients with cancer.
 - o Cardiologists care for patients with heart conditions.
 - o Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **referral** or **prior authorization** for a specialist or someone that isn't your PCP. - o More information on referrals and prior authorization is available in **Chapter 3** of the *Member Handbook*.
- You'll also be assigned a **Care Team**. Your **Care Team** includes you, your physician(s), pharmacist and Health Plan's Care Team staff. Everyone on the Care Team works together to make sure your care is coordinated. This means that they make sure that you get all of the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your Care Team may include:
 - o A **Care Coordinator** that helps you manage your medical providers and services.
 - o Your **Primary Care Provider**
