Sunny Pharmtech, Inc. Issues Voluntary Nationwide Recall of Cyclophosphamide for Injection, USP to the User Level Due to the Presence of Particulate Matter

Company Announcement

July 24, 2026 - Taoyuan City, Taiwan - Sunny Pharmtech, Inc is voluntarily recalling three lots of Cyclophosphamide for Injection, USP, 1g/vial and 2g/vial, to the User Level due to the presence of particulate matter identified as steel. To date, no adverse events or injuries associated with this particulate matter issue have been reported.

Affected Products

The affected product is packaged as 1 g/vial, one 50 mL single-dose vial in a carton (NDC 81298-8112-1) and as a 2 g/vial, one 100 mL single-dose vial in a carton (NDC 81298-8114-1). The affected product was distributed to wholesalers,

distributors, hospitals and pharmacies from May 2024 to October 2024 and can be identified using the information below. The three recalled lots (C23019V1, C24015V1, V24010V1) will remain within expiry until October 2026, April 2027, and March 2027, respectively.

Product Name / Strength	Dosage Form / Package	NDC	Lot Number	Expiration Date
Cyclophosphamide for Injection, USP	1 g/vial, 50mL vial	81298-8112-1	C23019V1	10/2026
Cyclophosphamide for Injection, USP	1 g/vial, 50mL vial	81298-8112-1	C24015V1	04/2027
Cyclophosphamide for Injection, USP	2 g/vial, 100 mL vial	81298-8114-1	V24010V1	03/2027

What to Do

Sunny PharmTech has notified FDA and its distributor, Cardinal Health, of this recall action and is coordinating with Long Grove Pharmaceuticals, LLC and Cardinal Health to notify pharmacies, hospitals, and other healthcare providers and to coordinate the return, reconciliation and destruction of the three lots of recalled product in accordance with the recall strategy.

Pharmacies, hospitals, and other healthcare providers that have the recalled product should immediately stop use and dispensing, and quarantine all affected product inventory, and follow the instructions in the recall notification for arranging return of the affected lots to Cardinal Health.
