WRITTEN INFORMATION IS ALSO AVAILABLE IN LARGE PRINT, AUDIO ACCESSIBLE ELECTRONIC FORMATS AND OTHER FORMATS.

Thank you for joining Health Plan of San Joaquin/Mountain Valley Health Plan ("Health Plan")!

We're committed to working with you toward meeting the health care needs of your family. This Provider Directory is your first step towards better health. It lists all the doctors, clinics and other providers that accept Health Plan members.

Your primary care doctor will coordinate most of your health care. If you did not already select a primary care doctor or clinic when you joined, you should do so as soon as possible. You can select a different doctor for each eligible family member, or one doctor to care for the whole family.

Find a doctor right for you

There are a few ways to find doctors in this directory. To find a doctor in your city, or a doctor with certain a specialty (example: pediatrics), look at the sections titled "Primary Care Doctors by City and Specialty."

Call our Customer Service Department at **1-888-936-PLAN (7526) TTY 711** to let us know which doctor(s) you choose.

Make sure the doctor you choose is accepting new patients. Doctors not accepting new patients at this time are indicated by an asterisk (*) in this directory. Health Plan updates its directory twice each year. Members receive an updated directory annually.

Upon request, Health Plan can give you information about any doctors listed in this directory. This includes the doctor's professional degree, board certification, race or ethnicity and any sub-specialty qualification a specialist may have. For current information on languages spoken at a provider location, call the number listed for the location. If you would like information about our providers, call Health Plan at **1-888-936-PLAN (7526) TTY 711**.

The information in this directory is subject to change without notice.

Your primary care doctor will coordinate and provide most of your health care. However, there are times when you may seek help from other providers. If you are seeking any of the following services you may see your primary care doctor, or you may choose another doctor without a referral or prior authorization:

* Pregnancy
* Family Planning Services
* First treatment of sexually transmitted disease
* HIV testing and counseling services
* Every other year for an eye exam
* Sensitive services, including abortion

Note: With the exception of the services noted above, your primary care doctor must provide any other services, or you must receive a referral to another provider from your primary care doctor.

Please refer to your Evidence of Coverage and Disclosure Form for specific information about referrals and authorizations.

In California, the Children's Health Insurance Program (CHIP) is fully administered through the Medi-Cal program. All Providers who are contracted with a Medi-Cal Managed Care Plan (MCP) to serve pediatric Members also serve CHIP-funded children. There is no separate Network or distinction in service delivery between Medi-Cal and CHIP enrollees; both are covered under the same benefits, funding structure, and Provider access standards.

LA INFORMACIÓN ESCRITA TAMBIÉN ESTÁ DISPONIBLE EN LETRA GRANDE, AUDIO, FORMATOS ELECTRÓNICOS ACCESIBLES, ETC.

Le agradecemos por unirse a Health Plan of San Joaquin/Mountain Valley Health Plan ("Plan de salud").

Nos comprometemos a trabajar con usted para satisfacer las necesidades de cuidado de salud de su familia. El *Directorio de proveedores* es el primer paso hacia una mejor salud. Brinda una lista de todos los doctores, clínicas y otros proveedores que aceptan miembros del Plan de salud.

El doctor primario será quien coordinará la mayor parte de su cuidado médico. Si no eligió una clínica o un doctor primario cuando se unió, debe hacerlo cuanto antes. Puede elegir un doctor distinto para cada miembro de la familia que cumpla con los requisitos o un doctor para el cuidado de toda la familia.

Encuentre un doctor adecuado para usted

Hay varias formas de encontrar doctores en este directorio. Para encontrar un doctor en su ciudad o un doctor con cierta especialidad (por ejemplo, pediatría), busque en las secciones con el título "Doctores de cuidado primario por ciudad o especialidad".

Llame a nuestro Departamento de Servicio al Cliente al **1-888-936-PLAN (7526)** (**TTY 711)** para decirnos qué doctores eligió.

Cerciórese de que el doctor que elija acepte nuevos pacientes. Los doctores que no lo hacen figuran con un asterisco (*) en este directorio. El Plan de salud actualiza el directorio dos veces al año. Los miembros reciben la versión más reciente de forma anual.

El Plan de salud puede brindarle información sobre los doctores de este directorio si la solicita. Esto incluye información sobre el título profesional del doctor, la certificación de la junta, la raza o etnia y cualquier calificación de subespecialidad que pueda tener un especialista. Para obtener información actualizada sobre los idiomas que se hablan en la ubicación del proveedor, llame al número que figura en la lista. Si quiere información sobre nuestros proveedores, llame al Plan de salud al **1-888-936-PLAN (7526) (TTY 711)**

La información de este directorio está sujeta a cambios sin aviso.

Su doctor primario será quien coordine y brinde la mayor parte de su cuidado médico. Sin embargo, hay momentos en los que puede pedir ayuda a otros proveedores. Si busca uno de los siguientes servicios, puede visitar a su doctor de cuidado primario o elegir otro doctor sin remisión o aprobación previa:

* Embarazo
* Servicios de planificación familiar
* Primer tratamiento de enfermedad de transmisión sexual
* Servicios de asesoramiento y pruebas de detección del VIH
* Examen de la vista cada dos años
* Servicios de carácter confidencial, entre los que se incluye el aborto

Nota: Con la excepción de estos servicios, su doctor primario debe brindar otros servicios, o usted debe recibir una remisión a otro proveedor por parte este.

Consulte el *Formulario de divulgación* y la *Evidencia de Cobertura* (*EOC*) para buscar información específica sobre las remisiones y las autorizaciones.

En California, el Programa de Seguro Médico para Niños (Children's Health Insurance Program, CHIP) se administra en su totalidad a través del programa Medi-Cal. Todos los proveedores que tienen contrato con un plan de atención médica controlada (Managed Care Plan, MCP) de Medi-Cal para atender a los miembros pediátricos también atienden a niños financiados por CHIP. No existe una red separada ni distinción en la prestación de servicios entre los miembros de Medi-Cal y los miembros de CHIP; ambos están cubiertos por los mismos beneficios, estructura de financiamiento y estándares de acceso a proveedores.
